

The diagram illustrates a scheduling process flow. It begins with a central 'Schedulung' box, which branches into 'Schedulung 1' and 'Schedulung 2'. 'Schedulung 1' further branches into 'Schedulung 1.1' and 'Schedulung 1.2'. 'Schedulung 2' branches into 'Schedulung 2.1' and 'Schedulung 2.2'. Each of these boxes then branches into 'Schedulung 3' and 'Schedulung 4' boxes. The diagram includes various input fields, checkboxes, and a large empty box at the bottom right.

```

graph LR
    S[Schedulung] --> S1[Schedulung 1]
    S --> S2[Schedulung 2]
    S1 --> S11[Schedulung 1.1]
    S1 --> S12[Schedulung 1.2]
    S2 --> S21[Schedulung 2.1]
    S2 --> S22[Schedulung 2.2]
    S11 --> S113[Schedulung 3]
    S11 --> S114[Schedulung 4]
    S12 --> S123[Schedulung 3]
    S12 --> S124[Schedulung 4]
    S21 --> S213[Schedulung 3]
    S21 --> S214[Schedulung 4]
    S22 --> S223[Schedulung 3]
    S22 --> S224[Schedulung 4]
